

# SWF Lariat

SWF Lariat is a large stunning chestnut colt born May 1, 2016 by the legendary Olympic show jumping stallion Narcos II.

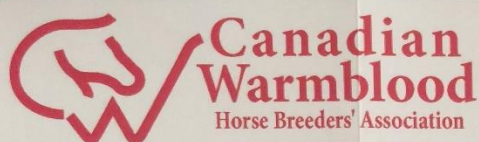

SWF Lariat is offered for sale as a top prospect for both show jumping and dressage. With his correct conformation, early signs of natural balance, athleticism, and sound mind, he's got what it takes to be your next champion. Larry is a very personable colt and is expected to mature to 16.2hh+.

His sire, Narcos II competed at all major European venues and also in the U.S. He was chosen to compete in the Seoul Olympics. In 1991 he won the European Young Riders Championship and also won third place in the four year old championships and first in the five and six year old championships in his early years. Narcos II placed second overall as French Stallion of the year in 1994, placed first in 1995 and second in 1996. He has produced many top international jumpers such as Twist du Valon (won horse of the year in the U.S. in 1998), Vikking du Tillard, Valeska For Ever, Quinar and Cirka.

SWF Lariat's dam Hera III is sired by Reesling the only ISR/OLD approved stallion to carry the F-line of the legendary Holsteiner Stallion Franat. Reeslings Sire, Rantares was ranked number thirteen as top dressage sire of all breeds by SSDF in 1996 and first in 2007 by the USEF in the U.S. SWF Lariat's dam, Hera, contains the sought after bloodlines of Oxford, Novalis, Jus de Pomme, Landgraf, and Voltaire.
