SWF Mick is a stunning dark bay gelding born June 6, 2017 by the stallion Emilion (Wellington x Farnese) and out of our imported, triple registered mare Whisper Van De Hermitage (Indoctro x Major De La Cour).

SWF Mick is offered for sale as an elite prospect for show jumping. Mick is showing great athleticism and enthusiasm to be a top quality jumper with a powerful hind end; he is very spirited, well balanced and of sound mind. He is expected to mature to 16+hh.

Mick's sire Emilion jumped at the highest levels of competition. Winning the World cup at Mill Street, second in the Grand Prix in Donaueschingen, fourth in the Grand Prix in Valkenswaard, just to name a few of his many successes. Emilion's mother is a full sister of the Holsteiner top sire - Lord. These top bloodlines have proven success and as a result Emilions offspring have also been successful in show jumping all over the world.

SWF Mick's Dam, Whisper Van De Hermitage is registered in Holland, Belgium, and Canada. She was imported as a show jumper and has proven herself as both competitor and broodmare. Whispers pedigree is exquisite. Her sire Indoctro is one of the top breeding sires in Holland.
